

Dear All,

FPCCI an apex body playing a pivotal role for Pakistan's Economic Growth and Prosperity with its key role in establishing cross regional contacts of Pakistan's business units through trade affiliations with various international organizations and doing advocacy for the image building of the country. Therefore, the local business sectors give high importance to annual elections of FPCCI.

Am pleased to inform our members that my victory in FPCCI as Vice President securing second highest votes & only winning contestant in Association class from my UBG Group is an honor & pride as Chairman, Pakistan Hotels Association. A Big Thank You to all our Voters, Election Team, friends, supporters and Opposing Candidates.

I am both humbled and honored that business and trade community has placed its confidence and support by electing me as VP FPCCI with second highest votes. Business community has high hopes from the leadership of trade bodies and FPCCI to help redress their key issues and from FPCCI forum, would do my best to becomes more effective in tackling problems faced by trade and industry with concrete suggestions from FPCCI to help the government formulate business friendly policies to serve the business community and hospitality industry of Pakistan. I assure to our members and all concerned that my efforts will reflect the utmost compassion, honesty and integrity in achieving our goals Insha Allah.

Alhamdulillah I feel blessed as I begin this new era alongside you and wish you all the best for a better, happy and prosperous New Year 2020.

Zubair Baweja
